Make a T-Shirt Tug Toy!

Ready to become a pet toy inventor?
Let's build something your furry friend will love!

Just remember - always supervise your four-legged pal when they're playing with toys.

You will need:

- An old t-shirt
- Scissors
- An adult to help you
- Your imagination!

What to do:

1. Cut the T-shirt into long strips
2. Tie a knot at one end
3. Braid the strips tightly
4. Tie another knot at the other end
5. That's it - you've made a tug toy!

Test your toy!

Try it out with your pet and become a real scientist:

Toy Tester Scorecard

- Did your pet play with it? YES / NO
- How long did they play? _____
- Would you improve anything? _____
