30 Wild Things to Do This Summer!

How many wildlife adventures can you complete before the summer holidays are over?

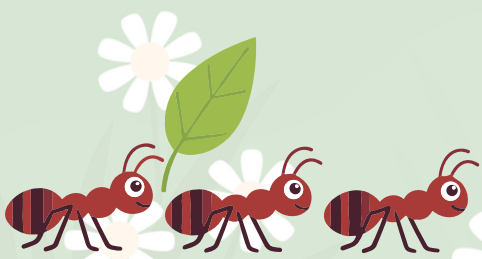
Grab a pencil and tick them off as you go!

🌼 Spot & Discover

- ☐ 1. Watch a butterfly land on a flower.
- ☐ 2. Listen to birds singing for five whole minutes.
- ☐ 3. Find three different coloured flowers.
- ☐ 4. Watch a bee collecting nectar.
- ☐ 5. Find a feather.
- ☐ 6. Look for a spider's web.
- ☐ 7. Count how many ladybirds you can spot.
- ☐ 8. Find an interesting leaf.
- ☐ 9. Watch ants carrying food.
- ☐ 10. See if you can spot a dragonfly.

🎨 Get Creative

- ☐ 11. Make a nature picture using fallen leaves.
- ☐ 12. Draw your favourite wild animal.
- ☐ 13. Build a tiny bug hotel.
- ☐ 14. Start a wildlife diary.
- ☐ 15. Take a photograph of something amazing in nature.



🐾 Become a Wildlife Detective

☐ 16. Look for animal footprints.
☐ 17. Find something that an insect has nibbled.
☐ 18. Listen for an owl at dusk.
☐ 19. Watch clouds and imagine animal shapes.
☐ 20. Count five different bird species.
☐ 21. Draw your favourite insect.
☐ 22. Learn the name of a tree near your home.
☐ 23. Watch a snail after it rains.
☐ 24. Find a seed floating through the air.
☐ 25. Look for a squirrel collecting food.

🌍 Help Wildlife

☐ 26. Fill a bird bath or shallow dish with fresh water.
☐ 27. Pick up litter (with an adult).
☐ 28. Plant some bee-friendly flowers.
☐ 29. Tell a friend an amazing animal fact.
☐ 30. Spend ten minutes sitting quietly and simply listening to nature.

How many did you complete?

⭐ 10–15 = Nature Explorer
⭐⭐ 16–24 = Wildlife Adventurer
⭐⭐⭐ 25–30 = Summer Nature Champion!

REMEMBER!

Nature isn't just somewhere far away - it could be in your garden, your local park, a woodland walk or even outside your school.

The more time you spend exploring the natural world, the more amazing things you'll discover. **Happy adventuring!**
